

CEHA Fall 2020 Newsletter

This has been an eventful year for all of us and we hope you all are surviving if not thriving during this difficult and strange time we find ourselves in!

Here is a brief recap of what the Board has been working on just to bring you all up to date.

We worked with the sheriff's office and for a short period had a radar speed check set up on Arbour Dr W. Speeding has been a recurring issue and the long sections of straight roads seem to be the worst. While the sheriff was setting up, they caught a speeder in the act! Please remember there are children playing, pedestrians and bicyclists sharing the road with your vehicle.

The County Road Department sealed cracks and then chip sealed most of the CEHA roads. Thank you to the Road Committee for the efforts involved working with the county and keeping us informed with the signs.

We have our community website operational! While we are still working through a few bugs it is there for your viewing pleasure! Please consider it your first point of contact for CEHA news and information.

There were a couple of inquiries about having a community garage sale, but we did not have enough interest to make it a full community event. We need to have at least 6 locations in the subdivision participate so if you are interested in having one please communicate to the Board via the CEHA email; both the email address and website are included at the end of the newsletter. Also please include the time of year you feel would be most advantageous. We do not have a set period to do this so getting some additional feedback would be a great help.

We have had to find an alternate location for the annual meeting, this took some time and effort to find a location with enough space for us to be socially distant while still allowing for the HOA members to be able to attend in person. **Please mark on your calendars and save the date: the annual meeting will be at the Hampton Inn, Thursday September 17, 2020 from 7:00 – 9:00 PM.** A reminder will be sent out with the annual dues payment request.

Please give us your feedback on the CEHA website: what information do you want to see here and if you want to receive your HOA information electronically, please give us the email address you would like us to use.

To contact the Board please email us at: ceha59901@gmail.com
