Architectural Review Committee (ACC) Report

2022 Annual Meeting Summary

We received 7 new ACC forms in 2022. 6 new requests were approved and one request was denied.

Projects were:

Deck/Porch – 3 (1 completed, 2 pending)

Fence/Gate - 3 (2 completed/1 pending)

Siding/paint/ trim – 1 (1 completed)

Shed – 2 (2 completed)

Boat parking – 1 (denied)

6 projects are complete. 3 are pending completion. 2 projects were carried over from 2021.

There were a few projects that didn't need approval because they were "in kind" replacement of decking material, shingles or painting.

Respectfully submitted
