

CEHA Annual Homeowners Meeting  
September 15, 2022

When you initially log onto the Zoom call, please immediately, sign-in to the chat box with your name and physical address. This will register your right to vote and participate in the meeting. Remember if you are a couple, only one of the couple can register and vote.

During the call, if you have a question, or comment, you can type it into the chat box or you can raise your hand/request in the chat to be unmuted. I will “ask you to unmute” and then you’ll be able to do so.

This meeting will be recorded for the board to verify the meetings only, it will not be distributed to anyone else.

Thank You!

Zoom Call Moderator
